Employee Contribution Guide

Giving is a personal decision. Many people ask, "What is a fair amount?" Many businesses consider 1% to be a "fair share" for their annual campaign and recognize employees for giving at that level. Whatever you give, please know that every dollar is needed and appreciated!

Fair Share Formula					
\$	_____	X	_____	= \$	_____ / _____ = _____
	Gross Salary		1%	fair share	# of pay periods payroll deduction amt. per pay period

Pacesetter Leadership Program

The Pacesetter Leadership Program represents a higher level of commitment to investing in our community. Pacesetters lead the way by exemplifying giving at a deeper, more involved level, proving the desire to do more. There are five categories of giving:

Builders of the Community:

Level I \$500 - \$999 Level II \$1,000 - \$1,199 Level III \$1,200 - \$1,399 Level IV \$1,400 - \$1,599

Foundations of the Community:

\$1,600 - \$2,499

Cornerstones of the Community:

\$2,500 - \$4,999

Pillars of the Community:

\$5,000 - \$9,999

Alexis de Tocqueville:

\$10,000 & above

All of our Pacesetter members are recognized for their giving through our quarterly newsletter and website. Pacesetters are invited each year to a reception in their honor.

This year there is an option of becoming a Pacesetter Plus Partner. This is for Pacesetters who increase their donation from the previous year by at least 10%. They will be recognized in the following year's Pacesetter brochure as Pacesetter Plus Partners.

Pacesetters are the core of our annual giving program and are vital to our continued success, as they represent a significant amount of the total funds raised each year. We are grateful for these partners in caring who generously support our community.
