

LIVE UNITED

From Chuck & Jennifer McCauley

As educators, we know the power of providing individuals with the knowledge, tools, and support they need if they are to be successful in life and work. The Bartlesville Regional United Way breaks down barriers and closes gaps to find lasting solutions for the needs of individuals and families in our area

Your participation helps our 14 partner agencies - such as the Agape Mission, the Boys and Girls Club, Mary Martha Outreach, and many others in Bartlesville - to provide important resources to our neighbors, peers, coworkers, family members, and our community

This is our home and community. What we do for others matters. We hope you will join us in giving back, whether it's your time, talent, or treasure. Thanks to all the current donors, volunteers and supporters who continue to back and advocate for the Bartlesville Regional United Way. Your donations are not only appreciated but essential to the continuation of important programs within the community.
